## **Standards – Respect for Service Animals & Support Persons**

### ***Background***

To meet the requirements of the Accessibility Standard for Customer Service (Ontario Regulation 429/07) made under the Accessibility for Ontarians with Disabilities Act, 2005, this procedure is required for Oshawa Public Libraries staff, volunteers and agents.

### ***Procedures***

#### **Guide Dogs and Service Animals**

1. Oshawa Public Libraries staff shall ensure that the customer is permitted to enter the Library premises open to the public or third parties with the animal and to keep the animal with him/her unless the guide dog or service animal is otherwise excluded by law from the premises.
2. If a customer is excluded by law from keeping their guide dog or service animal with them, Library staff shall consult with the individual to provide other measures to enable the person to obtain, use or benefit from our goods and services.
3. It is not necessary for staff to request documentation for verification of a guide dog or service animal if it is readily apparent that the animal is used by the customer for reasons relating to his or her disability.
4. In circumstances where it is not apparent that the guide dog or service animal is used by a customer for reasons relating to his or her disability, Library staff may ask the person to provide a letter from a physician or nurse confirming that the customer requires the animal for reasons relating to the disability.
5. Representatives of the Library are required to ensure that this request is made in a format that respects the dignity and independence of the customer to ensure integration and equal opportunity for people with disabilities.
6. Additional factors to consider include:
  1. not all disabilities are visible;
  2. not all service animals wear identifying gear, such as harnesses or tags;
  3. a person is not to be separated from their guide dog or service animal;
